

<b>4 NO</b>	<b>AUTHORIZES BONDS FUNDING CONSTRUCTION AT HOSPITALS PROVIDING CHILDREN'S HEALTH CARE. <u>LEGISLATIVE STATUTE</u></b> If the state is just going to throw more money at hospitals, many of which are privately owned, why not use some of the \$31.09 in unissued bonds?
<b>5 YES</b>	<b>CHANGES REQUIREMENTS FOR CERTAIN PROPERTY OWNERS TO TRANSFER THEIR PROPERTY TAX BASE TO REPLACEMENT PROPERTY. <u>CONSTITUTIONAL AMENDMENT</u></b> Allows older and disabled homeowners, eligible under Prop 13, to take their lower property tax base with them when they move. The new owners will pay property tax based on the current assessed value of the home.
<b>YES ON 6</b>	<b>ELIMINATES CERTAIN ROAD REPAIR AND TRANSPORTATION FUNDING. REQUIRES CERTAIN FUEL TAXES AND VEHICLE FEES BE APPROVED BY THE ELECTORATE. <u>CONSTITUTIONAL AMENDMENT</u></b> The description above is false. This repeals the gas tax and increased car fees. Not one penny of the gas tax is required to be spent on road repair. Plus, due to automatic annual tax hikes built into the tax, by 2021 Californians will be paying close to \$2 more per gallon than today.
<b>7 NO</b>	<b>CONFORMS CALIFORNIA DAYLIGHT SAVING TIME TO FEDERAL LAW. ALLOWS LEGISLATURE TO CHANGE DAYLIGHT SAVING TIME PERIOD. <u>LEGISLATIVE STATUTE</u></b> If passed, the legislature will need to pass another bill, as well as require approval from Congress. "If it's not broke, don't fix it."
<b>8 NO</b>	<b>REGULATES AMOUNTS OUTPATIENT KIDNEY DIALYSIS CLINICS CHARGE FOR DIALYSIS TREATMENT. <u>SI INITIATIVE STATUTE</u></b> This is put forward by the unions. They have wanted to unionize this industry for years. It will also benefit the two largest dialysis companies in California, putting many dialysis clinics out of business and putting dialysis patients at risk, all of whom will absolutely die without it.
<b>10 NO</b>	<b>EXPANDS LOCAL GOVERNMENTS' AUTHORITY TO ENACT RENT CONTROL ON RESIDENTIAL PROPERTY. <u>INITIATIVE STATUTE</u></b> This is just another attempt to kill Prop. 13 while having very little impact on the housing shortage. This proposition allows local government to tell <b>YOU</b> how much you can rent out your home for.
<b>11 YES</b>	<b>REQUIRES PRIVATE-SECTOR EMERGENCY AMBULANCE EMPLOYEES TO REMAIN ON-CALL DURING WORK BREAKS. ELIMINATES CERTAIN EMPLOYER LIABILITY. <u>SI INITIATIVE STATUTE</u>.</b> This would make sure emergency medical response personnel are reachable during their breaks and able to respond to emergencies more readily. Forces companies to compensate according to existing laws.
<b>12 NO</b>	<b>ESTABLISHES NEW STANDARDS FOR CONFINEMENT OF SPECIFIED FARM ANIMALS; BANS SALE OF NONCOMPLYING PRODUCTS. <u>INITIATIVE STATUTE</u>.</b> There are already healthy & humane protections and regulations in place for farm animals. This proposition will push many farmers out of business, cause food shortages, and raise prices on meat and eggs.

# NOVEMBER 6, 2018 GENERAL ELECTION

In California we have what is referred to as a "jungle primary", meaning that the top two primary candidates, regardless of party, move on to the general election for that office. That could result in a voter thinking either of the candidates running in the General Election are detestable. But one of them will be the winner of that office.

Some voters may think, "I just won't vote for that office." But not voting for either candidate will not change the percentage of votes that will put one into that office over the other. Sadly, this means that sometimes a voter needs to hold their nose and vote for the detestable one that will cause the least damage to the state and/or the country.

The Chino Tea Party board members have put a lot of research and thought into creating this Voter Guide on the two candidates for each office and the propositions.

### A ledger has been made to help with some of your voting:

- **\*\*\*** means both candidates are detestable, but their competitor for that office has a far greater ability to cause much more damage during their term or terms in office.
- **LEGISLATIVE STATUTE** means the politicians put this on the ballot.
- **INITIATIVE STATUTE** means the people put this on the ballot.
- **SI** means a special interest put this on the ballot to enrich themselves.
